## Plate Holder

### A new idea for organizing the kitchen

The ORGA-LINE Plate Holder makes organizing stacks of plates quick and easy. The Plate

Holder easily adjusts to fit most common dinner plates and bowls. The idea behind the ORGA-LINE Plate Holder is to make storing and accessing plates

simple by placing them in a drawer instead of an overhead cabinet. Special rubber feet ensure that no matter where you put the Plate Holder it will stay in place. The Plate Holder handles make carrying plates to the dinner table or the patio a breeze.

The ORGA-LINE Plate Holder, along with Blum's full extension TANDEMBOX system, makes kitchen organization clean, simple, and fully accessible.
